

ALAMO, GEORGIA

Welcome to Oconee River Lodge

Welcome to Oconee River Lodge, where our mission is to ensure you have an unforgettable adventure filled with memorable successes. We aim to build lifelong relationships with our hunters, encouraging you to return year after year! Spanning 7,200 acres of pristine private land, we offer a variety of hunting setups, including elevated tower stands overlooking food plots, lock-on stands, and ladder stands positioned over corn piles or feeders.

Our commitment to wildlife management includes year-round baiting, protein feeding, and the use of cell game cameras to monitor our thriving game population. Our inviting 5,000 sq. ft. lodge features six comfortable bedrooms and four bathrooms, complete with a game room for relaxation. Enjoy watching your favorite sports on one of our four flat-screen TVs, or take advantage of the prime fishing opportunities in our stocked ponds.

At Oconee River Lodge, we operate on a low-pressure, low-volume basis, resulting in a high success rate for our hunting expeditions. The Georgia swamps provide an exceptional environment for harvesting trophy bucks and boars, with our local wildlife often growing larger than in other southern regions. We limit our hunts to just ten hunters at a time to ensure each guest enjoys a personalized and rewarding experience.

Our strict management practices are designed to promote the growth of mature bucks, adhering to regulations that enhance your chances of a successful trophy deer hunt. Additionally, our swamps are home to a plentiful supply of wild boars, including some impressive trophy hogs.

We strategically hunt the wind, determining which stands to use based on daily conditions. By baiting year-round, we strive to keep wildlife on our property as much as possible. The atmosphere at Oconee River Lodge is reminiscent of the good old days, where you can unwind by the campfire in the evenings, enjoy delicious meals, and share plans for the next day's adventure.

With knowledgeable guides and a commitment to an exceptional hunting experience, we promise a memorable trip that feels like family. Book your hunt today for a once-in-a-lifetime experience!

OCONEE RIVER LODGE
